Uniform Policy

Archway Classical Academy | Glendale has a primary objective of developing a “community of learners,” dedicated to the highest standards of academics and deportment. As such, a distinctive uniform is a unifying factor within our school community. It is also a visible signature of our school to the larger community, an indicator of our unity and of our pride of purpose. This is one of the most important functions of a uniform: it identifies its wearer as part of a distinctive group with a distinctive purpose. It is a reminder to its wearer of that purpose and of one’s responsibility to that group.

The uniform is the basis of a dress code that reflects the nobility and seriousness of our mission. Our students should dress their best, look their best, and do their best. All clothing must be clean, neat, reasonably pressed, and in properly fitting condition. If a child is deemed to be wearing inappropriate attire, the parent will be notified and a change of clothing may be required for attendance that day. If in doubt about the appropriateness of an article of clothing, check with the school office before purchasing. Good judgment exercised at home will be a learning activity for the child that will help to avoid embarrassment or wasted time at school. Decisions about the appropriateness of apparel may be referred to the Headmaster, whose judgment will be final. The Headmaster may make specific exceptions to the dress code, as demanded by particular religious customs; parents should address specific concerns to the school administration before the first week of school.

Our desire is not to squash students' individuality, but to secure their commitment to scholarship and character development, goals that can potentially be obscured by a focus on the latest trends or fads. We ask not only for the student's commitment to this concept, but for the parents' commitment as well. The uniform and dress code of Archway Classical Academy | Glendale support and reinforce our academic goals. The uniform assists us in staying focused on the true individuality offered by healthy dialogue and the development of the life of the mind for each student.

Students must stay in uniform whenever they are on campus (including the parking lot) during a school day. This means arriving on campus *fully* in uniform and leaving campus *fully* in uniform (correct shoes, shirts tucked in, etc.). Students may only change out of uniform after school with permission from a faculty member to participate in an approved curricular or extracurricular activity that requires an immediate change of dress.

Purchasing Note: Some of the components of the uniform will need to be purchased from Anton Uniforms; other items may be purchased from any vendor. Please see the note under each item.
